

- Enter The Company Or Companies You Want To Study

 1. Enter either a company name, part of a company name, or a brand in column B or enter a ticker into column C or enter an ISIN number into column D.

 2. If the CSRHub name you want does not appear in column H, use the CSRHub name lookup tool (top menu, CSRHub...Company) to paste the right text company name into column H.

- 3. The data in columns I to N should help you double check that you have the right name match. The name in column H is the one used automatically on other sheets.

 4. If you need to lookup more than 30 companies, you can copy the formulas in row 44 down.

 5. Use column A to store your internal identifier or version of the company name for later reference.

 6. Choose Formulas from the too menu. then Calculate Sheet. This will allow our database to undate the sheet. You can change the scope of search using the box starting in column P.

 7. Enter your CSRHub site credentials (username/password) when directed.
